THE DANISH INSTITUTE AT ATHENS

The Danish Institute at Athens is pleased to invite you to
a lecture in English by

Kåre Johannessen,
Curator, The Medieval Centre, Denmark

“Experiencing the Medieval Age in the 21st Century”

Wednesday 8 May, 7 p.m.
at the Danish Institute

The Medieval Centre has for the past two decades brought the 14th century to life in a fully reconstructed medieval trading town. Here, focus is on crafts, technology, and daily life in the towns, mainly presented as re-enactment.

The lecture will give an account of some of the challenges - scientific as well as practical - that face anyone who dares venture into the minefield of historical interpretation, and who strives to combine serious historical work with popular entertainment.
