

Mouldmade Bowls of the Black Sea Region and Beyond

From Prestige Object to an Article of Mass Consumption

Presentation of Pia Guldager Bilde's new book by the editor, Susan I. Rotroff

17.06.2024 - 19:00 @The Danish Institute at Athens

Pia Guldager Bilde's book

opens up a new window into the Hellenistic world through a close study of mouldmade bowls, their places of production (both in the Black Sea and the Mediterranean), iconographies and distribution. The author's unique access to material in the Black Sea Region provides the backbone to a rare comparative approach to an important type of vessel that traditionally has been studied in local isolation.

Susan I. Rotroff will present the most important aspects of the work, following a brief introduction by Pia's Danish colleagues and friends Troels Myrup Kristensen, John Lund and Kristina Winther-Jacobsen.
