Afreportering om ophold

30. NOVEMBER 2021

Jeg har anvendt mit ophold på DIA i oktober til tre formål

KLASSISK ARKÆOLOGI

- 1) Redigering af opsætningen af to manuskripter til PoDIA 10.
- 2) Det videre arbejde med tekst og illustrationer til Sikyon survey bindet, som kommer i MoDIA.
- 3) Første udkast til de første fire kapitler til min bog med en arkæologisk vinkel på det tidlige athenske demokrati og refleksion over det moderne demokrati.
